CBC Makes Sterilizing Cylinders to Meet Your Need and Budget!
18" Standard Sterilizing Cylinder

Standard Sterilizing Cylinder (Sizes: 12" dia x 24" long or 18" dia x 30" long)
16 gage stainless steel construction with rolled "stiffener edge". Large vent openings to increase stream/heat penetration rate.

- 3-layer DW4 Filter Media.
- Supply tray with backstop and supply tray track.
- Glass bead finish
- Carrying handles.

DW4 Filter Media precut to width.

18" Standard Sterilizing Cylinder with carrying handles.

12" Economy Sterilizing Cylinder

## Economy Sterilizing Cylinder (Sizes: 12" dia x 24" long or 18" dia x 30" long)

16 gage stainless steel construction with rolled "stiffener edge". Large vent openings to increase stream/heat penetration rate.

- 3-layer DW4 Filter Media.
- Supply tray.
- Competitively priced!

DW4 Filter Media precut to width.

12" Economy Sterilizing Cylinder with supply tray.

12" Feed Sterilizing Cylinder (with optional support collar)

Feed Sterilizing Cylinder (Sizes: 12" dia x 24" long or 18" dia x 30" long)

NOTE: Feed tray racks are not in the way of the supply tray so cylinder can also be used as a regular supply cylinder.
16 gage stainless steel construction with rolled "stiffener edge". Large vent openings to increase stream/heat penetration rate.

- 3-layer DW4 Filter Media.
- 4- and 6-tray sizes.
- Glass bead finish.
- Carrying handles.
- Preserves nutritional value of feed.

DW4 Filter Media precut to width.

18" Feed Sterilizing Cylinder with 6 trays has a feed capacity of 110 pounds.

Transfer Carts to Match Isolator Type and Size

Stainless steel transfer carts/trolleys with lockable casters and table clamps to secure sterilizing cylinders in place and prevent accidents. Carts/trolleys are made to match your isolator set-up. Cylinder is same height as isolator port making connection easier.
For more information about our Sterilizing Cylinders including our Standard, Economy and special Feed Sterilizing Cylinders, call **+49 7681 4979 395** or e-mail: *av@cbclean.com*
